# NEXON SERIES

## CARE OF CHROME FINISHED FAUCET

- Use a soft sponge or cloth to clean, never use abrasive material like a bristle brush or scouring pad.
- Do not use cleaners containing ammonia, bleach, or acid which can damage the chrome finish
- Use a mild detergent (such as dishwashing soap). Do not use abrasive cleaners.
- Rinse and be sure to wipe the entire surface dry.
- For perfect foam flow of water, the aerators should be cleaned regularly.
- Do not over tighten the faucets to the wall/wash basin.

Bencardo Faucets are manufactured under the highest standards of quality and workmanship. Bencardo Faucets warrant to the original purchaser that this faucet will be leak and drip free during normal domestic use. If this faucet should ever develop a leak or drip, Bencardo Bathware Center will free of charge provide the parts necessary to put the faucet back in good working condition. A replacement for any defective part will be supplied free of charge for installation to the purchaser. Defects or damage caused by use of other than authorized parts are not covered by this warranty. This warranty shall be effective from date of purchase as shown on purchaser receipt. This warranty is valid for the original purchaser and excludes product misuse, product damage due to installation error, whether performed by a contractor, service company, or yourself. Bencardo Bathware Center will not be responsible for labor charges or for damage incurred during installation, repair or replacement, nor for incidental or consequential damages.

## FLAWLESS FINISH

---

Bencardo Faucets are made with triple plated finish and hand polished to flawless perfection.

## KEROX & SEDAL CERAMIC CARTRIDGE

---

Equipped with highest quality kerox & sedal ceramic cartridges to ensure leak free performance.

## RAW MATERIAL

---

The faucet body and handle in all models are made from high grade lead free brass to ensure long durability.

## WATER-SAVING FEATURES

---

**CAL Green** Uses 45% less water.

**1.2** Eco friendly flow rate.

Watersense efficient model
